“ My heartfelt Condolences goes out to Maggie Bell's entire family and her close friends as well! Maggie Bell was such a sweet person; a rare jewel, but she didn't take no mess from anyone at anytime (LOL)! The things that I loved about Maggie Bell was her laughter and her sense of humor and the fact that she could cook her butt off too!! Maggie Bell always had a 4 Course meal cooked and ready to eat whenever you visited her house and if she didn't, she would cook you a meal! I also loved going to visit Maggie Bell (when I lived in Jackson, TN.) because there was always a party or just a house full of people over there and "the blues" (music) was always filling her house! Maggie Bell was loved by ALL who encountered her! She lived a wonderful & Blessed life and she always had her family and close friends at arms reach at all times! She will be missed by me and my son dearly! May You R.I.P. Maggie Bell!
Love, Darlene Rollin & Larry Greer, Jr. (St. Louis, Missouri)
