“ *I'm going to miss your warm hugs and your humor. You always made me laugh. I remember around your birthday one year that I would give you a hug as a gift. We bump into each other at Lynwood Kroger and we instantly smile and you gave the biggest bear hug. When meet at Jackson state the same year in 09 and the memory I have of you is watching you play match magic the gathering with us at Canada's. You were smiling carefree and enjoying the moment with us all. Until we meet again my friend.*
