“ I will always remember Aunt Freddie as being kind, humble, generous, big-hearted and an excellent role model. She was a special aunt and always had a profound influence in my life and always will. Living in Oakland County Michigan, I was always honored to recognize my aunt as the first African American librarian at Oakland Community College when conversing with others. Growing up we loved going to her house. She always opened the door from the garage with a big smile and open arms. There were always good desserts on the countertop and we enjoyed playing in her large yard. Her presence will be truly missed but she's home with our Heavenly Father. I love you my dear Aunt Freddie.....Rest in peace.

“ *Going to Tennessee to be around family was always something I looked forward to as a child. My Grandma Polly (Alfredia's Sister) would get me , Brandon, and Marli and take us to spend some of our summer in Tennessee. When we we got there, Aunt Freddie would welcome us in her beautiful home with open arms. Our summers there were truly unforgettable and Aunt Freddie's love and admiration for her family will live on for ever!!*

Rest in Sweet Heavenly Peace Auntie

“ *I remember when Alfreda and Uncle John got married, and they came and got us, and took us to Chickasaw Park. My mother Ms. America Ingram, loved going out to Alfreda’s house to pick apples and sit and talk and reminisce it would be so funny and relaxed.*
