“ *Dear Archie, what a wonderful man you are. You were stationed in the U.S. Airforce with my dad Bobby and proved to be a loyal and firm friend both during and after your combined service. My mum Georgina and your lovely wife Shereen were firm friends too so it was inevitable that over time our families would unite as often as possible despite us living in different countries. 🇺🇸 🇬🇧 As a child I admired and respected you for being a great dad who loved his family unconditionally and even though we were not actually related I referred to you as my uncle and did so with pride. You will be sadly missed Uncle Archie and it's been an honour knowing you and having you in my life. May God bless you and the Angels guide you. With all my love, Debbie. Xxx 🙏*

“ I have so many fond and happy memories of Archie throughout my 61 years. He was a great man and was always a pleasure to be around. I had many chats with him about numerous subjects and sports even my national sport real football (Soccer) Archie and Shereen have always been supportive to me even through my more challenging years. Archie helped my Wife and I to fill out our immigration papers and even attended the US Embassy in London with us.

“ Gramps, from the time I was just a little guy I can remember being blessed to be around you as much as I was. I looked forward every holiday to seeing you and nanny and when I left I would find myself counting the days till we would visit again. I dont remember a lot from those times, but I do remember how much you meant to me and how amazing of a man you are. Im sad to know I wont be able to count down the days to visit ya like I did in the past. The next time we see each other will be up there in heaven. Im sure youre up there now with nanny and I can only imagine what you two are talking about. Haha. You two take care of each other. Im gonna miss ya. And hey your grandson isnt in any rush anymore gramps but Ill still be counting the days till we see each other again. I love ya grampy, and if they have internet up there in heaven, Id be a fool to not say you too nanny. Thanks for everything grandparents. Rest easy.

The sweet memories of my uncle Archie Lee will forever be in my heart. He was an amazing guy and a great inspiration. I didn't meet him until I was in my teens and when I met him I was filled with excitement because I had always heard Mamarell and K.C (daddy) always speak highly of him. His sisters adored him and so did we his nieces and newphews. He was loved by everyone we will miss you Uncle Archie, your Neice "Yuke"
