“ *Bernard was a very kind and fun person. He was intelligent and easy going. If you knew him at all you know he enjoyed life ! We will never forget the fun times we shared during our college experiences at Tuskegee. We already miss him. I pray that God's Holy spirit gives the family strength during this time. “ I would like to send my condolences to the Brook's family from myself and the rest of Sports Plus Aquatherapies staff. We were very fond of Mr. Ausie, he was highly motivated and a kind man who always found a way to have us smiling. I would always ask him his goals and/or what he had the most trouble with, and his response was always to be able to take better care of his family. I am truly sorry for your loss, please know that he loved you dearly. Your family will be in our thoughts and prayers.
