“ *Family, I was blessed to meet Aunt Bettye when my father, Kelsier Donnell passed away. She was his cousin. We developed a relationship from that moment on. She was kind, and always spoke truth. I was not informed about her passing. I am sad to hear about her transition. I would have come to show love to the family. I have confidence that she is resting in the arms of the Lord. Rest in Peace, Aunt Bettye.*

“ *Barbara, Wiley, Tasha, Asia, and Family, we share your grief, because Bettye was family. She always shared nothing but love with us. She spoke her mind, and stood for what she believed. Someone once said that if you do not stand for something then you will fall for anything. She really did it out of love, because she truly loved her family. She was only trying to lead the right way. May your hearts be healed with the love , grace, and peace of God.*

*Love you all,
