“ My dear cousin I remember first meeting you when I was around 7 years old. Our great grandmother Luella introduced us That memory never left my thoughts. We are so heartbroken because you left us so unexpectedly. But I am so happy that you did not suffer and went peacefully to be with the Lord. Even though we weren't able to see each other often, you have always been a part of my heart. I know that you will truly be missed by everyone who knows you. Rest peacefully cousin until we meet again. God bless you Brenda Jones. We love you. Love cousin Beverly!

“ *Calvin will be dearly missed by us all!! He was one of the sweetest souls I've known, he was a pleasure to work with and always had a smile on his face and telling some big tall tale 😊 He was truly one of a kind and dearest friend. I'm still in total shock! Prayers for peace and comfort for the days and months ahead. Go rest high on that mountain, for your work on earth is done, I know you entered heaven a shouting!!!*

“ I'm sorry for y'all's loss. I've known Calvin for four years and he was the best neighbor anyone could ever have. My son loved him also and he would always run straight to his house every time he was outside and Calvin would always have a pop sickle, or a sucker, or even a balloon to give to my son every single time he came over. I know my son ain't gone understand that he is gone but he will never be forgotten. Its so hard knowing that he'll never be there sitting on his pourch every time we came to the house from work and asking waz good. Calvin was so friendly and I'll miss his crazy stories and me and my man coming over to smoke and chill with him when he was outside. He may be gone but we will never forget the best neighbor we've ever had. 🥹🥹🥹🥹🥹

“ I’m sorry for y’all’s loss. I’ve known kalvin for four years and he was the best neighbor anyone could ever have and had the wildest stories. Man this is so hard to believe it’s true. The worst part also is that we have to walk out the door of our house knowing that he ain’t there and omg my son loved him he would always run straight to his house every time he was outside. I know he ain’t gone understand this and so tremendously hard to know that he’ll never be there sitting on his pourch every time I came to the house from work and asking waz good. He was the absolute best neighbor anyone could ask for. 🥹🥹🥹🥹🥹
