“ *Our condolences to Carol Bell's family and friends. Carol was a beautiful person, inside and out. She loved her family and friends. She had a special place in her heart for those children and grandchildren. What was going on with them was in Carol's daily conversation. She was always eager to show pictures and video of her darling 3 grandchildren, Aubree, Amiyah and Cali. Every day was a milestone in their lives and Carol celebrated each one of them. Her children Cherika and Darius she loved them dearly. Yes Carol was a great mother, daughter, sister, grandma, coworker and friend. She was always there to lend a helping hand when needed. Carol was very generous and caring, She supported serveral fund raisers throughout the year and at Christmas, to the toy drive. She has donated her own shoes when she seen her coworker in need. At work at West Tennessee Health Carol was a dedicated employee for nearly 30 years. Our hearts are sadden by the loss of our dear coworker and friend. On behalf the WTH and the Environmental Services department, we will forever cherish the memories shared with Carol. It is our prayer the Carol rest eternally in God's grace and love.*
