“ *A very sweet lady with whom I loved to chat when I delivered Meals on Wheels. She was very proud of her son in the military. She loved pie! She missed being able to go to church. I will miss her & think of her every time I go past her place. My condolences to Mrs. Carrie's family †*

“ I will truly miss you in the physical sense but Spiritually you will always be my Big Sister. You were also like a Mother to me. You taught me how to do homework,play softball,basketball,jump rope. Love reading and how to play the game of Champions"Bid Whist". And you said my worse fault was being "opinionated". Well this is just a little insight of the things I Love and Admired about you. You are a loving and beautiful person too bad a lot of people look at a Beautiful Woman yes ,you are my beautiful Sister,and were intimidated by that ,never approached you to get to know that,but I am sure God made You touched the Heart and Soul of the people who got to know your Heart, and to me that is a beautiful thing. I will Always Love you Sister!!
