“ As I sit here wide awake, I can't do anything but think about Big Mama and the fact that she is really gone this time. Lord knows that she fought a good fight and doctors gave her up years ago but God said different. We all were so use to here coming back around again but this time God said it was time to bring her home. All of us have tried to deal with the fact that her passing away could possibly be coming soon and yet when it happened, NONE of us were ready. You can never be ready at a time like this but God will never put more on us than we can bare!!!! No matter if we were ready or not, Big Mama was ready!!! She was ready to go home and be with the God Lord above where she will have no more heartache and pain!!!! Big Mama has lived a Good and Long life, outliving kids, uncles, aunts, cousins, you name it.... She was a STRONG black woman, the BACKBONE of our Pewitte Family. She has truly passed these morals down to her children, grandchildren, and so on.....I am so blessed for my children to not only know their grandma and great grandma but they got to KNOW and LOVE their great-great grandma.....Their Big Mama, My Big Mama, All of Our Big Mama..... I am saying a special prayer for my family right now..... Big Mama would want us all to come together NOW and rejoice..... No one is perfect, we all have faults!!!! It's not a time to talk about eachother, nor judge..... We are ALL FAMILY..... I may not talk to everyone all the time but do trust and believe that the Pewitte blood runs deep down in my blood and there is nothing I cherish more than family..... I love you all..... Now is the time to drop all hatchets, grudges, wrongdoings, name-calling, judging, backstabbing, lying, and whatever else Dear Lord that shouldn't be!!! In the name of GOD!!! Lord strengthen our family, bring us closer to one another as well as closer to you!!! Dear Lord I pray that Friday and Saturday both become a time to fellowship and celebrate the homegoing of our Big Mama..... For she suffers no more and wouldn't want us causing eachother to suffer!!!!!!! Amen..... Again. I love you all..... Any pictures that you may have of Big Mama or any family members please share..... Thanks Again to Stephenson Shaw for providing us with this service....
