“ *Ms. Dana Grady was a student along my bus route. I didn't have the pleasure of knowing her but for a short period of time. That's all it took to realize she was the most beautiful young lady I have ever met inside and out. I never knew that would be my last evening with Miss Grady. Very caring loving heart and she will be greatly missed. I would also like to send the remainder of the family my deepest sympathy and prayers. God bless*
