“ *Just looking back in the early 70's, times have gone on by a sweet friendship from all your family to ours has never changed. We all gotten older, better looking & some prettier & some has just gotten down uglier, (in attitudes) than others, but we all in Class of 1976 all of us have gotten healthier, wealthier, wiser, smarter, better looking & prettier as we've all gotten some years on us, we've all done pretty good & really well in nearly 38 wonderful years. Remembering the good ole seeing alot of friends & family once again....*
