“ *I worked with Dannie at the Lowell Thomas State Office Building for almost twenty years. He was a very kind soul and I never heard him say an unkind word about anyone. He was a good worker and very dependable. I was so sorry to hear of his death. I pray for strength and comfort for his family in the days ahead. I will always remember his respect and compassion for everyone he met. RIP my friend.....Molly Wilson*

“ *To the Family
I was saddened to hear of the lost of your dear loved one. We read of the Bible's promise of a paradise earth where we soon will be able to live out our lives the way that God intended and to enjoy life to the full. (Isa. 65:21-25) Hold on to that hope until you see Danny again and please accept my condolences.*

“ *Danny was part of the maintenance crew that serviced our state office facility for many years. He was always nice to work with and had a smile everytime he came by the office. So sorry to hear of his passing. Prayers for peace and comfort to surround his family and friends. --Mitzie Hinson*
