“ *God blessed us for meeting and getting to know each other. I'm glad we had the time we was blessed with you and your son DeAunte McKnight Jr, Me and Kaylee miss you everyday. Just to wake up to your smiling face I wish we had more time but I love you so much and always will. Now you still watching over me and how lucky I am. I miss cooking for you and you not even saving me any at all. And have more fun than the kids joking and dancing with my mom. Giving my sister the blues good job on that!! My only regret is you didnt marry me on my birthday, I still wear it since you put it on. I swear it feels like you still here with me I hear you call for me. Until that day Love I'll be waiting to see you again.*
