*That message was so sweet. It touched my heart. Keep in CHRIST and live rightly. GOD will see you through it all. The good days and the challenging days. GOD LOVES you and so do I. You don't have to know a person to love a person. It was your words and picture.*

“ Debra we met in 1997 at Crescent Apartments we were neighbors. You kept my first grandchild while I work . On Saturday’s we would take the kids to Memphis on Beale street and take the kids to Liberty Land and on Sunday we would go to Mary Long’s for Happy Hour we had such a good time. I remembered carrying you out for a day while you was at the nursing home . I made sure I came down every month to bring Ray ray to see you, you would be so happy. You would like when I come do your hair . I watched you as you got worse . Rayray try everything to keep you here but you had got so weak .The doctors and were so nice they try to save you. Ray ray is going to be okay never will forget the last time we talked the day you went home to be with the Lord. You went sleep to be with the Lord as soon as we got off the phone the nurse call right back rip . Love you lady
