“ Ms. Debrah took care of our mother and father for several years, and became a real friend to our family. She was always so caring and attentive--our father called her "hawk-eyes", because when she was around, he couldn't get into any mischief!! I remember how much she loved turnips and greens-- she picked them in our garden many times! Our prayers are with all your family as you grieve. May all your precious memories of good times with your mother become clearer and dearer as days go by. Alan and Martha Morris

“ One of the most beautiful people from my West Senior High school days. I'm sure the entire West family echoed my sentiments which led to her being selected as Miss West High, 1975. I admired her for her friendliness, leadership and academics. Jesus has welcomed her home. That's an awesome thing to know. See you when I get there Deb.

“ *George, Daughters, & Siblings,
Deborah will be truly missed- she has been such a Blessing to so many of our families with her smiles, friendship & Good cooking. She has always been a blessing to our family- (Lenizie & Hattie Lee Marshall), she had such a giving heart- just like her mom Selma - She would give when others wouldn't.
Praying for you all- that you will Rest in The Lord - it's hard when we have to go through heart aches and pain, but We can trust the Lord to be our Pillow, we can rest on him all the time and at any time.
Amen*
