“ *Such a wonderful and beautiful soul. Always knew how to talk directly to my heart and provided the most pure advice. I'll hold our best and powerful energies within the onyx stone you gave me. Fly high and continue to look over us all. Your spirit will always be with everyone you touched, see you later big guy* 🤝🤝

“ I'm without words, Devon and I used to drive a semi as a team. When I seen a post on Facebook it hit me deep. Even though we come from different places we both shared similar life experiences and when I seen Facebook today on Sun Jan 21 2024 I felt tears fall off my face. Devon always talked about his family in a good way his sister and brother and kids really everyone in his family. When you're driving as a team in a semi truck for a couple weeks at a time with someone you really get to know them. I'm still at a loss of words. My prayers to his dad, mom, sister, and brother, as well as his kids. I'm so sorry for losses. Devon was someone I talked to about anything. Since day one when he asked me for a ride at truck driving school we just seemed to click like we had known each other in a different life. I'm truly sorry for your loss

“ Family, our Devin will live forever in our hearts. I remember when he made his entrance into this world. We had four 1987 Burris babies to be born into our family that year, so this hits very hard to our family. Kim Percy, Devon, and Ann may the Lord Jesus Christ strengthen you and the family. Please know that I love each of you- my family. Remember, “Earth has no sorrow that Heaven cannot heal”.
