“ *My last memory of Verna was when she came to visit the office in Arlington and she would always stopped by my office. I was singing my theme song and Verna busted in the office to help me sing. Then we laughed and she'd give me a hug. Verna said bye Beautiful and I said I'll see you later. Had no clue that would be our last encounter. But it's a Blessing when you come across genuine kind-hearted souls along your journey, and for that I am eternally grateful. Continued prayers for the family, friends, and Co-Worker Family.*

“ *Elverna was one of the most unselfish, genuine, and pleasant people I've ever met. She was a "2nd mother " to my grandson Malik while he played basketball at South Side along with her son Chris. It's so hard to accept the fact that she has transitioned. Family, take comfort in knowing that because of her belief in Jesus Christ, the scripture to be "...absent from the body is present with the Lord. Praying for your strength during this time. Lovingly, Elder Anne Mitchell, Malik Hicks, Yvonne Jenkins and our entire family.*
