“ Bro we miss you and need you back here. You left too unexpectedly without any warning whatsoever. This is still hard fr us but we are handling it the best way we know how. Why? Your grandson made his arrival safe. Just keep protecting them and your mother. Tell Yvonne TT said hey.

“ Leon worked with my son at Ingram. My son thought the world of him. I would see him every morning when i dropped my son off at work, he was the most polite person to me. May he rest on peace.
