“ *I am so sorry to learn about the death of your loved one Erika. Please know that the time will come when all those who have died will come back to life by means of the resurrection. John5:28-29 What a wonderful time that will be!! Do not let your hearts be troubled. Believe in the promises of God and find inner peace of mind and heart. How wonderful to know that our loving heavenly father will never forget those who have died. He knows and understands the depth of our pain and loss. Once again I am truly sorry that your loved one has died.*
