“ Ed, Kevin, Amber and all the grandchildren words cannot express how sorry I am for your loss. There are so many memories from Kevin as a teenager, Amber's birth, and all of the grandchildren, Ed and Ethel putting Amber and the girls in the van and going on vacation or going to California to visit Kevin, our discussions about who would retire first (she beat me by 2 weeks). May memories of Ethel (Lee) comfort you and assure you that the moments you shared will live always in your hearts.

“ *To everything there is a season, and a time to every purpose under the heaven:At the rising of the sun and at its going down,  
We remember them.  
At the blowing of the wind and in the chill of Winter,  
We remember them.  
At the opening of buds and in the rebirth of Spring,  
We remember them.  
At the blueness of the skies and in the warmth of Summer,  
We remember them.*
