“ *Ms. Eula she was out there sometimes, but I am the better man from just meeting her, and sharing a small part of her life. She didn't mind getting mean and dirty when needed, but she really was one of the sweetest around. She would give the shirt off her back if someone needed it. Always talkative, usually with a big Ole grin. Always ready to help do anything. She loved my soup, and shrimp alfredo. She will be missed by those that knew her, her friends, her family. RIP Eula love ya.*
