Jo Ann Ellison and the Ellison family you are all in my prayers. Jo Ann it going to take a while to learn to live physically without your Mom. But you best believe she will always within your heart and you catch yourself acting like her at times. I appreciate the love you gave me when my Mom died and let know if there is anything I can do for you.

“ *Gramma you always made sure me and Bae had everything we needed and wanted no matter the price. When we got out line, you set us straight, and when you felt we were mistreated you were there to defended us to the fullest. Most of all your home was always open to all of your children and grandchildren. Words can't express how much I love you. I'll miss you Gramma.*
