“ With a heavy heart, I am sending my thoughts and love to a beautiful family. Aunt Frances was loved by each of her nieces and nephews among other family members. We always felt welcomed in her home and always with a wonderful meal. She was such a warm loving person, never an unkind word, love and respect for all she was in contact with. A wonderful example of her character is and has been exhibited by her children. She is solely missed. Blessings to a strong, loving family she leaves to continue her legacy. Wish I could be there to support my cousins as we say goodbye to their loving Mother and our last Aunt. With love and appreciation for the difference you made in many lives. I love you Aunt Frances.
