“ *My condolences to the family. My fondest memory of Gary was we all use to hanf out together in our teen years at Crossroad, and our different houses. My biggest and most regrettable moment was when he had gotten a new car one day. And he let me drive it the next day. Big mistake, of course I put a dent in it. That was the type of guy he was. We had many good days back in those days at Crossroads. Rest in Peace, my old friend.*
