“ It is with a heavy heart that I write this. George was a friend and fellow officer, I am sad to hear this news. My condolences to the family. George was a model police officer, citizen and above all, a family man who was deeply religious.

Heaven is a better place now and until we see each other there, I know you are sitting at Gods side and at peace.

“ It’s difficult to find the words to truly convey the genuine sincerity, neighborly love and generosity that Mr. George Steele embodied.

You didn’t have to be related to him in order for both he and Barbara to go over & beyond in their mission to help others in need. In recent years, I learned he had done that for my aging family members many years without any reservation or attention to his acts of kindness.

Brother Steele you & Barbara treated me like a daughter and I will greatly miss your words of wisdom & the meaningful encouragement you shared every time you saw me. Although our hearts are heavy at this time, it’s very comforting to know our Grand Creator will certainly remember your truly fine works and the many lives you touched.

*My sincere condolences to the Steele Family,
Kimberly Mitchum 🌿*
