“ 10 years of a friendship that I've always valued and appreciated. G was always the same silly person. To know him was to love him. “What it do bestfriend” a phrase he always started the conversation with. A phrase I'm going to miss. ❤️ One of my favorite memories was him attending my graduation he told me “I wouldn't miss it for anything, make sure you have my ticket when I slide thru 😭. He kept his word. I'll always cherish the moments spent with you. So glad I got the chance to meet you and have you apart of my life. You truly will be missed. 💔😭😭😭🙄
