“ *This was the coolest aunt I had. All my aunts have a special place in my heart but, Aunt Squeaky (Helen) was like us. There was never a dull moment with her and I'm going to truly miss her. There's not a day that goes by, that I think of her. I know she's in a better place and she does not have to suffer any longer. My angel has gained her wings and will forever watch out for us. She's with Madea, Granddaddy, Uncle Pete (Husband), Uncle Tommy, Uncle Pop and also her brother Uncle Pete and I know she's at peace. Love you TT.*
