“ I remember I lived up the street from Irene on First St. She use to throw papers for Jackson Sun and I went with her one day. They've in the dead end on First St. They had dogs and I was so afraid of them. But, it never kept me from going down there to play with Irene, Alma and Gina ❤️❤️❤️

“ Irene's children and family are in my prayers as they walk through this valley.
The best things in life are the people we love and the memories we share. Irene will be missed by so many in her family, the community she served and the many patients she advocated for to have the best care possible. I am one of the many that will miss Irene. I had the privilege of working side by side with her for more than 6 years. We shared a few tears along the way and we shared lots of laughter too. Most importantly, we shared a common faith in our Savior. I'll cherish my memories of Irene as a colleague and friend until we meet again at the feet of Jesus.

“ Irene was very sweet individual and had a great personality from the time I had interacting with her at Delta Specialty Hospital when I was employed there, such a tragedy and my condolences goes out to family and friends, I’m so sorry to hear of this situation. My wife was nurse there in SCU and me intake specialist, we are both shocked and equally saddened at the news surrounding Ms. Irene.
