“ *It is very difficult to deal with cronic illness in a family. no one wants to see there loved one suffer. GOD never wanted humans to suffer like this. It is our enemy satan that introduced sin and death to mankind. It is our loving heavenly father that made the way out for us by sending his son Jesus to die for us so that the effects of sin will be wiped from the earth Revolutions 21:4. you can be assured of your loved ones resurrection to life by this rasnsom john 11:25.*
