“ *Papa. You were like one of the PRETTY BOYS band member and manager. Rodney, Sidney, Jeff, Gabby, and YOU..last but not least important. My mother always remembered you and how you use to watch out for her car and her while she worked at MidSouth Textiles. I'll always cherish the fun times, the love, respect, and kindness you had for everyone. A smooth and cool brother on his way to heaven to join many others like himself. Thank you for everything. I'll see you in heaven my friend. Love and will miss you. Franz and the rest of the BATCHELOR FAMILY.*

“ Wow! what can I say we have known each other since Washington Douglass, Jackson Jr. High and Jackson Central Merry High. Lived in the same hood, neighbors until we graduated from JCM. You all ways made me laugh and always had a smile on your face. I never saw you out of character, the best friend that a girl could have, always respectful and always had my back. Even though it has been some years since I saw you, you still had the same respect for me. Rest In Peace My Friend! God has you know until we meet again. Your Friend Forever Mary D.
