“ Jackie will be deeply missed. I want her children to know I will be praying for them during this journey. I pray God comforts you all during this time. Jackie was a jewel, one of a kind and had a love for all people. I thank God for the opportunity to not only work with her and her children professionally, but also know her personally too. My heart is hurting and I am still in unbelief but I know God is good and He will see us through this. I love you all. My deepest condolences.
