“ *Arnold Family,*

I am a friend of Sandra. I'm very sorry for your loss. I rejoice with you that Reverend Arnold has fought the good fight, finished the race and has claimed the crown awaiting him from our Lord Jesus Christ. May the God of all comfort be with you during this time.

“ *The James Arnold family is regarded as a "first family" in Chester County. Almost everyone here knows them and the outstanding work they have done in this community and the work of children in many other places as well. James loved his gardens and often showed them to me when I visited. Also one could find him often watching those western movies, he thoroughly enjoyed. I regret not seeing the singing groups of which he was a part. Performing gospel songs was a great source of inspiration for many who attended. I share both my sorrow and joy with the Arnold family. I appreciate so much my association with "Miss Gertie" and the children. Let us all now realize that we have the beauty of hope that sustains us and lets us know that James is enjoying things of an excellency beyond eye's ability to perceive or minds ability to describe.*
