“ We were in high school together, and saw each other occasionally through the years. James was my friend, and one of the funniest, kindest guys I knew. He was one of the very few people who would ask if I was ok after my long-time jerk of a boyfriend had been horrible to me. Miss you, James, and prayers for Paulette and all who love you. Gayna S. “ To The Harvison Family,

May fond memories of James (Pee Wee) bring you comfort during this hard time in your life. Look back on all the good memories you were able to have and smile at the fact that you were able to share these before he passed away. Our hearts and prayers go out to the family.

I am so saddened to hear this. James was an awesome young man. We worked together at Tabuchi Electric and became good friends. I will never forget seeing him fly across the plant and hit that cinder block wall. Bless his heart he had smoke coming from his hair and the end of his fingers were burned. His shoulder was knocked out of place and I just knew he was hurt badly. Tabuchi did him wrong. James was a gentleman and one of the sweetest and kindest people I have even know. We did drift apart after each of were married but if we ever saw each other out and about, we had to hug. Prayers for his family and friends and God rest his sweet soul.
