“ Jimmy, you cast a huge shadow. Those of us who were fortunate enough to call you friend and family will never forget you and always be indebted to you. With just that smooth grin and laugh in your voice, we knew everything was going to be alright and you would make it that way. The great times we had, barbecue we ate (that you made), and the care that you gave to everyone around you, especially my family, will never be forgotten. I know you are in heaven rejoicing with all those who have gone before. You’re now free from every earthly burden. I pray for solace and comfort for your family. Love always, Cathy Ross.
