“ Jeannie we always parted ways on Sundays after church with telling each other to have a blessed week. Each time that God places you in my spirit and on my heart I will still tell you the same. Rest in love my sweet friend. And you have a blessed week. Sending plenty of prayers to the Bowers and Emerson family.

“ I referred to Jeannie as "my angel" while working two years at North Parkway Middle school. We usually arrived at the same time and she would hold the door for me. When she brought her class for reading, she would bring me fresh coffee from their room. Of course we always talked about Sunday services. It was so nice having a church member in the workplace. Beautiful young lady. I loved her for her kindness and radiant smile.

“ Ms. Jeannie was a wonderful and blessed person. She was filled with joy and inspiration of the Lord every time I saw her. Each weekday as I pulled up at work, Jeannie was there. She always put a smile on my face because she was in her car listening to the word of God through Gospel music. Her head bobbling to the music as she brings the joy inside work singing in the hallways. She uplifted me everyday at work. Her smile, laughter, and kindness will surely be missed.
