*Many of us from Crossroads church of Christ enjoyed visiting with Sister Jesse over the years. We missed her during this Covid 19 quarantine. We were looking forward to seeing her again when we were permitted to visit again. She was always a joy to be around and asked about family members and others at Crossroads. Ray Nanney would visit and sit with her and they would talk about the old times. She would tell us about their visits every time we saw her. We mourn her passing and are sorry we didn't get to go to her funeral. Our love and prayers for her entire family. Love, Charles and Vicki Yawn and all members*

*“ I miss you grandma and think about you all the time especially on Sunday mornings cause you were big on going to church and staying active with God. I am not perfect but I am trying to do the same. My mom tells me all the time that I look like you and aunt Mary...the Frye trait is very strong I guess. I just stopped in to tell you I love you and miss you!*
