“ *Jimmy was my classmate at Rosenwald high School, Trenton, TN and we enrolled at Tennessee State University, Nashville, TN with four others from our senior class in 1959. Jimmy was the sharpest dressed student during our matriculation at Rosenwald High.*

We all loved Jimmy because he was warm, kind, honest and joyful. I cannot remember anyone who disliked him. He smiled easily and would keep girls and guys laughing at one of his stories. Jimmy loved to offer chewing gum to his friends from his grandparents store. (I often wondered if they knew).

My husband, Henry "Sonny" Williams is from Milan, TN and did not come to know Jimmy until Jimmy married my first cousin, Dorothy Shivers. Henry enjoyed discussing sports and bar-b-cue with Jimmy. We both have shared with others what a consistently good and pleasant person Jimmy was . He will be missed by all who knew him.

May his daughters, son, grands, and great-grands always remember the good times he shared with them.

*Love,
Henry & Carolyn Ward Williams*

“ I was the melt shop superintendent in Jackson when the steel mill opened and I hired Jimmy for the refractory supervisor job. I have never met a man more determined to succeed than Jimmy. He had no experience at all for the job I was looking to fill but through his persistence and determination he ultimately convinced me to hire him even though he lacked the experience I was looking for. As it turned out, Jimmy was one of the the best hires I ever made in my 50 years in the Steel business.

But most importantly, he was a good man who was always eager to help others, a good father, and a good friend whom I am fortunate to have known. I will miss him.

My condolences to the family.
