This is Tracey Boulette,I worked side by side with Johnny And Pop (Lewis Harris) for years and we were what I like to think good friends..I cared very much about Johnny, we met once outside work when you came to pick him up after work,I miss him also my prayers go to you and Johnny, please accept my condolences, may God bless you both.

Johnny was my neighbor. We live across the street. Most everyday. I would see him come out of his. He would throw his had up and smile. As I would get in my car. He would stop and Say:Are working tonight? I would. Say: yes. He would say ok . I saw him. Thanksgiving about2:40.I said Johnny Where are you going dress up. He said I am going to run off a little. I said to him:Be safe.
