“ *I recently heard about the passing of your dear and sweet mother. I believe she was also your father's soul mate and they are R.I.P. together. My prayers are with you McKinnie family, asking God to give you strength, understanding of His will, peace, and comfort that only God can give you at this time. Your parents always treated me so nice as one of your father's employee. Things will never be the same, but I know God will make a way for you all.*
