“ *Juanita was my cousin and a very encouraging cousin. She always told it just like it was. No beating around the bush. Juanita was strong. there was a time when I thought that she was real sick, and I approached her with my sad look, asking how she was doing . I was probably looking at her like her life was over. She told me that she was fine , she wasn't dead yet and she laughed. She didn't want sympathy. She was still alive and that was what mattered to her that day. She will always be in my heart. Stay encouraged Family. Marie Corbett*
