“ Prayers continuing for Kellan family and friends. This really troubled me to hear of his death. He was very polite kind hard working young man. I am proud I had the honor of working with him. Praying for God to wrap his strong loving caring healing arms around his family and friends. For God to hold them tight and for all to feel the prayers and love sent for you all in this long journey of grieving. Praying that you each feel God's presence.

“ 😂😂 my dad and his mom dated got along time... so growing up with kellan was always fun... yeah we fought like brothers and sisters do, but it was never a dull moment... we were together all day literally school if not school day care if not day care at home lol... as we got older and got into our adult ages the bond was unbreakable... we've shared so many laughs it's ridiculous... he truly had a heart of gold he loved his babies and would do anything in his power to make sure he was involved... I love you big bro ❤️❤️
❤️ this one's a little different for me watch over us... we know your still living your best life lol the only way you knew how to live 🥺🥺🥺
