“ I met you 4 years ago and you treated me like we were best friends. I felt like I have known you forever. You hugged me and we nearly cried last time I saw you because you were happy I finally got a home. It's still unreal to me as I write this that you are gone. I can't believe it. I don't want to believe it! I hope you are at peace and flying high my friend. I'm going to miss you so much.
