“ Tried my best to figure out a way to make it, but with the house fire and the continuing hospitalization of Chuck who remains in serious condition, I could not make it. The service was beautiful, I think it what you would have wanted. Listening to Reggie sing was the utmost joy, remembering when we taught him and Terrance “On A Mission For The King.” It set me back to all the songs we taught the choirs on our musical journey together. I have never heard or ever expect to hear anyone to reach the magnitude of your ability to play any rhythm, simply by hearing. A true GIFT from God. I have missed your playing and our time of working together at Bethel, I will also miss talking to you. Rest in Peace My Friend!!!!!!
