“ Aunt Lou,

She was the Diva of Jackson, Tenn. because of her classy style of dressing and no one could beat her cooking smothered chicken and gravy! Yeah, Baby!

Aunt Lou took me to my first concert in 1977 to see the Jackson Five in Memphis, Tenn., I thought I had died and went to heaven to see Michael Jackson live at the age of 16.

Thanks for taking care of me and each of my siblings during troubled times.

You will be thoroughly missed.

“ *Aunt Lou,*

Thanks for caring for me from the time of my birth in St. Louis into adulthood. I always enjoyed listening to you tell the story of me falling out the bed (behind it) and you thinking I was broken! Because you loved "General Hospital" so much you named be Monica.

You were a great travelling partner and babysitter. We saw so many States together, but most of all thanks for being a part of my Village. You will be missed my mother figure, Sister and Aunt.

*Take your rest. Much love
Monica*
