

Mrs. Lucretia Ann Woods

April 16, 1963 - September 11, 2021

The Lord is my shepherd, I shall not want.... Psalms 23. The Lord our gentle shepherd brought Lucretia Ann Smith Woods into the world on April 16, 1963. She departed this life on Saturday, September 11, 2021.

Being the youngest of five children, Ann learned early the value of family relationships and unity. She no doubt like many of us learned the proper manners of: Yes Maam, No Sir, Thank You and respecting her elders.

She received her informal early education in her home and community. Ann's formal education came through the Madison County School System, where she graduated from Southside High School in 1981.

After High School, she and Leroy Woods, Jr. were married in 1983. The lord blessed them with three children: Laquanta, LaShara and Laniqua. Along with being a wife and mother, she worked for the Jackson-Madison County School System in Child Nutrition as well an Educational Assistant in the classroom.

She was preceded in death by her mother: Minnie Smith; daughter: LaShara Woods and brother: Charles Smith.

She leaves to cherish her memory her husband: Leroy Woods, Jr.; children: LaQuanta Woods and Laniqua Woods; mother-in-law: Sally E. Woods all of

Pinson, Tennessee; sisters: Brenda (Harold) Carroll and Carolyn Edwards both of Jackson, Tennessee and one brother: Raymond Smith of Jackson, Tennessee; a special aunt: Nellie Morris and host of other relatives and friends.

The Lord is my shepherd, I shall not want.... Ann's family and friends are grateful to the Lord, our gentle shepherd for giving her the precious days that she spent on this earth. To God Be the Glory.

“ *My heart goes out to Lucretia's family. My family went to church with her together for years at Love and Truth. She was always smiling & always said hello. Your family is dear to me & to my family. Our children Heather, Andrew, Jessica, Ben & Timmy are sad also & hope Laniqua is doing ok. They will always consider him a good friend. We all love y'all. - Randy and Kim Weir*
