“ *The ladies of the Dodge Store would like to send our sincere condolences to Macon's family. MH was known here as our "security man". If we ever had a problem or needed him for any reason large or small, he was always there for us. To many of us he was like a father and a true friend. We will miss him coming by daily to check on us to make sure everything was good here and that his "investment was secure." Who would've thought that when we last spoke it would be our last, but God had a plan. He makes no mistakes and knows what is best for each of us. Although our hearts are heavy we know that you are ok now. Until we meet again...*
