“ *We use to go fishing a mile or so off the railroad tracks to a bridge crossing the Forked Deer River. It was so secluded and off the beaten path, it felt like we had our own exclusive part of the river. We caught so much fish that we would often take our catch in town to the fish store for a couple of dollars. I wish a could holla at him one more.*

“ *I'm so shocked and embarrassed! Marcell was my best friend growing up during the mid-late "70's until I left home around 1984-85. We shared so much time together and had great times. I talked with him about a year or two ago, but we didn't get to talk very long. Marcell was so gifted. I envied his boxing career and was always proud to call him my friend. I don't know to say to the family other than you are in my thoughts. Marcell, I love you brother. Rest in peace.*
