“ *Margaret was a blessing to all those who she came into contact with. No matter what was going on she found a way to put on her infectious smile and show the world her true heart. Margaret was fun to be around and had me laughing no matter what the situation. Thank you for being a bright light in my life. You are and always will be missed. Honored to be called your friend. Rest well my love.*

“ I grew up with this family, years ago out in the country but, in these later years the only ones that I've seen or come in contact with were Nannie and Margaret. Up until 3 or 4 weeks ago the only one I've seen was Margaret and a few days ago, heard that she had passed on. My condolences to the family, especially those that I knew! Melvinnie, Nannie, Robert, Anna and Margaret
