“ *We would like to offer our condolence with regards to the loss of your dear love one. Whent he enemy death strikes, it can leave us with emotions that are difficult to understand and process. My family and I have gained comfort from God's word when we suffered the loss of a dear love one. We have found that meditating on such Scriptures as Philippians 4:6, 7 helped our thoughts plus gives us the Peace of God that is bigger than the pain that we may feel. We that may find comfort as well.*
